

## **Water: Walking by Faith**

*Matthew 14:22-33*

One of the great Biblical accounts that illustrates faith is Jesus walking on water and the response of his disciples, especially Peter. Our faith grows and we can do unimaginable things when we:

### **Recognize the Divine Power of Jesus**

Controls the elements of nature

Speaks calming words

Enabled Peter to walk on water

Worshipped as the Son of God

### **Risk to Go Where Jesus Says**

Peter asked and risked

The other eleven disciples did not ask or risk

### **Don't Give in to Fear**

Winds of doubt will always blow

Sinking feelings and situations will follow

### **Keep Your Eyes on Jesus**

He is our greatest treasure, hope and joy

He is the source of our strength and ability

### **Let Jesus Lift You Out of Any Failure**
