

## **Water: The Flow of the Spirit**

*John 7:37-39*

This takes place at the end of the Feast of Booths (or Tabernacles). The fall harvest had been gathered and it was a celebration of God's gracious provisions. The feast lasted eight days, from Sabbath to Sabbath. Making temporary booths was to be a reminder of God delivering His people from bondage in Egypt. By Jesus' time, the feasts also pointed forward as the people awaited the coming of the Messiah to deliver them.
