

Paramount Proclamation

Luke 2:8-21

Official proclamations have been used by rulers and governments for at least several thousand years. An angel (Gabriel?) appeared to lowly shepherds watching their flocks in the field to make a paramount proclamation. In this passage we see God using angels to proclaim the most unique, miraculous and glorious event to that date in history. The proclamation was:

For All People

Good News of Great Joy

About Grace Displayed through a Savior

Accompanied with Glorious Praise

Awaiting a Faithful Response
