

God's Glory in Our Work and Rest
Deuteronomy 5:12-15 & Exodus 20:1-2, 8-11

God's glory is the shining forth of His inward characteristics and His very being. What we perceive of God, we call glory. Last week we focused on how God is glorious in His work of creation and salvation and also in His rest. Today's message (Labor Day weekend) we explore God's glory in our work and rest.

God Enables Us through His Preceding Work and Rest

Fully sovereign in power and purpose

Supplying abundant grace

God Created Us to Work

Commanded for our good

Manifold purpose

Eternal significance (*Colossians 3:17*)

God Made Us with the Need for Rest

Physically re-energize

Mentally re-focus

Spiritually renew

Demonstrate care and justice

Found in Jesus (*Matthew 11:28-30*)
